

**REMARKS**

Reconsideration of the application as amended is respectfully requested. The Examiner has restricted examination of claims 1-42 in this application. Specifically, the Examiner restricted claims 1-31 and 41-42 to Group I as being drawn to a particle reduction apparatus, and the Examiner restricted claims 32-40 to Group II as being drawn to a method for reducing particulate matter in a gaseous flow.

Although Applicants do not necessarily agree with the Examiner's reasons for restriction, Applicants elect to prosecute claims 1-31 and 41-42 of Group I. Therefore, Applicants have canceled claims 32-40 without prejudice for possible inclusion in a divisional application. This election is made with traverse.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
